

## **NEW APPOINTMENT TO THE RICE MARKETING BOARD FOR THE STATE OF NEW SOUTH WALES**

11 January 2024

The Rice Marketing Board for the State of New South Wales (RMB) this week welcomed Dave Moore to the role of General Manager – Strategy and Engagement in a part time capacity.

Dave will focus on developing a process of stakeholder engagement with NSW rice growers, licensed authorised buyers, grower representative associations and NSW government departments.

This role will also build on the improvements the RMB has implemented in recent years by increasing awareness of the role of the RMB and its processes through a regular cycle of communications.

“The RMB is very pleased to have someone with deep experience in the agriculture sector working between growers, industry organisations and government,” RMB Chair, Rowan McMonnies said. “Dave will strengthen our ability to engage with stakeholders and ensure the RMB can continue to improve.”

Dave joins the RMB’s full time Board Secretary, Nyree Dunn, and part time Administration Officer, Melissa Rodgers.
